Hello Neighbors,

It's a little late but...HAPPY NEW YEAR! I trust each of you are doing well! Did you see the beautiful new mural we have on Marmion Way between Avenue 56 and Avenue 57? It's awesome!

The message below came to me from Officer Allen and he asked me to share it with you...we've had an uptick in residential theft so lock your doors and encourage your neighbors to watch out for each other!

Much love,

PB

Hello Peter Bedard

I hope all is well with you and you had great holiday season.

Can you do me a great favor and let your Neighborhood Group know we had a spike in residential Burglaries. We had four over the past four weeks. The area of occurrence is Ave 50 to York Blvd and Figueroa west to Aldama Street. 3 out of the four were doing the daytime hours.

Please take all necessary measures to secure your home. Please share this with your neighbors and report any suspicious activity to the police department.

Thank You for staying involved.
